

PRESSRELEASE - MASTIT GROUP AB

MastIT Group AB welcomes Patrik Boman as new board member

At the annual general meeting of MastIT Group AB on 16 June 2023, Patrik Boman was elected as a board member. Patrik has extensive experience as an entrepreneur and leader who has built up and managed companies in IT, Telecom and Cyber Security areas. Patrik's experience in leading positions in public / listed companies includes management positions in the HiQ Group and CEO for Cybercom Group (publ). Patrik has been running the consulting company Dynamant as CEO for many years, which is Sweden's leader in the Mainframe area. Patrik has extensive experience from M&A, business development, international business within, for example, the IT sector and (from AT&T and Telia in) the Telecom area.

Name: Patrik Boman

Age: 59

Family: Married w grown-up children

Residence: Saltsjöbaden Stockholm, Sweden

Interests: Mountain climbing & alpinism in extreme environments, diving, as well as traveling with family & friends.

Board assignments: Rejlers Group AB (publ), and the companies within Dynamant Group

Current position: CEO & partner in Dynamant AB

"MastIT Group has a very interesting business with a great position to develop into a leading company group based on its organic and acquisition-driven growth strategy. I have many years of experience in building, nurturing and maintaining large consulting organizations where the employees are the company's greatest assets. My experience includes international business, acquisition processes, entrepreneurship and management which will add value to the MastIT Group.." says Patrik Boman.

"MastIT Group ensures that we get solid experience and great know-how in entrepreneurship into our Board of Directors, which will be an important asset to achieve our growth ambitions including the upcoming listing of the company. We have been building a strong and solid company group for some time now, where all the company's operative employees, partners, current & future subsidiaries, and our board will continue to develop the business together." comments Jimmy Karlsson, founder of MastIT Group AB.

Patrik Boman will be part of the MastIT Group's board of directors from June 2023.
